# Pricelist

**for game hunting and other  
hunting services  
valid from April 1<sup>st</sup> 2020.  
until March 31<sup>st</sup> 2021.**

This Pricelist determines the prices of game hunting and other hunting services as follows:

## GENERAL CONDITIONS

### GAME WOUNDED AND NOT RECOVERED

For the game wounded but not recovered 50% of the trophy value estimated by the accompanying expert and 50% of the venison value will be charged, and for all other big non-trophy game 50% of the estimated venison value will be charged, on the basis of average weight of game from the respective hunting ground, and under the condition that a blood-tracking trained hound has been used to track the wounded animal. If the wounded animal is recovered, the hunter pays the difference to the total price of the trophy. Missed shot will be charged 1.000,00 kn/miss for the trophy red deer and brown bear, and 700,00 kn/miss for other big game species.

For the game shot there will be a trophy certificate issued.

### BOOKING OF HUNTING PERIOD

Booking of the hunting period for the big trophy game is provided through the advance payment, with no discount calculated.

## **GENERAL CONDITIONS OF THE GROUP WILD BOAR HUNT - VARIANT A and B**

1. The price of the group hunt includes: shooting, wounding, missing, hunting organisation, hunting companion, drivers, hounds and the hunters' insurance.
2. If during one day of the group wild boar hunt there hasn't been a single shot fired, the hunting day will not be charged.
3. If in a one-day group wild boar hunt no piece is shot, but the shooting took place, the hunt will be charged 400,00 kn per hunter.
4. If in a day of the started group wild boar hunt the weather conditions don't allow the hunt to take place throughout the whole day, the group hunt will be charged on the basis of hunting results that were achieved until then.

## **GROUP HUNT ON WILD BOAR IN HUNTING GROUNDS OF HRVATSKE ŠUME FOR GROUPS OF 10 AND MORE HUNTERS**

### **Organization of the hunt and method of payment: Variant C**

Group hunt is organized in the polygons for wild boar hunt. During one hunting day the minimum shooting is 30 pieces, and maximum 40 pieces of wild boar. Hunted are male and female wild boars of all age classes. Each shot piece is charged 3.000,00 kn. The starting price of the hunt amounts to 90.000,00 kn.

## **GENERAL CONDITIONS OF THE GROUP WILD BOAR HUNT VARIANT C**

1. The price of the group hunt includes: shooting, wounding, missing, hunting organization, hunting companion, drivers, hounds and the hunters' insurance.
2. If during one day of the group wild boar hunt there hasn't been a single shot fired, the hunting day will not be charged.
3. If the group wild boar hunt has to be stopped due to the force major (weather conditions, casualties etc.) and it cannot be resumed on the same day, the hunt can be resumed on another date. If the new date cannot be agreed upon, the group hunt will be charged on the basis of hunting results that were achieved until it was stopped.
4. If the hunt took place according to the planned dynamics, and there were less than 30 wild boars shot, the hunt will be charged per its initial price of 90.000,00 kn.

**NOTE: Which variant of the hunt organization and method of payment (variant A, B or C) will be applied in the group wild boar hunt in the hunting grounds of Hrvatske šume d.o.o., will be decided by the Forest Administration that manages the respective hunting ground.**
