

PRICELIST
for game hunting and other hunting services
valid from
April 1st 2026. until March 31st 2027.

This pricelist determines the prices of game hunting and other hunting services as follows:

GENERAL CONDITIONS

GAME WOUNDED AND NOT RECOVERED

For the game wounded but not recovered 50% of the trophy value estimated by the accompanying expert and 50% of the venison value will be charged, and for all other big non-trophy game 50% of the estimated venison value will be charged, on the basis of average weight of game from the respective hunting ground, and under the condition that a blood-tracking trained hound has been used to track the wounded animal. If the wounded animal is recovered, the hunter pays the difference to the total price of the trophy and use of a bloodhound.

Missed shot will be charged **150,00 Euro/miss** for the trophy red deer and brown bear, and **100,00 Euro/miss** for other big game species.

For the game shot there will be a trophy certificate issued.

BOOKING OF HUNTING PERIOD

Booking of the hunting period for the big trophy game is provided through the advance payment, with no discount calculated.
